Music at the Market

Saturday Mornings 8:30 a.m. to 10:30 a.m.

The Morrison Farmers' Market is a community-wide event that features local produce, food, and artisan products. As a community event, we are also interested in highlighting local performers each week during the market season. We are especially seeking genres that fit the feel of the Market. Performers are allowed to sell CD's, and to collect tips during performances. A stipend is available. We strive to give our customers, vendors, and artists a positive experience. We appreciate your willingness to play at the market and thank you for your application!
